- A Multi-Pass is simply a prepaid green-fee or cart fee. Passes are fully transferable and they retain their value for two years. Unused Passes can be carried over to the following season—the only cost is the difference between the seasonal rates.
- The Value of each pass is indicated on the front side of the ticket. Passes are valid only for 9 or 18 holes during the corresponding rate periods. A pass worth more than the value of a fee does not infer a credit against the passes value. For example, a weekend pass applied against a sunset fee does not infer an \$18.00 credit.
- Weekday Pass-holders need only pay the difference between weekend & weekday rates. For example, upgrade a weekday pass to a prime time weekend fee for \$10.
- Single rider fees will be strictly enforced. ½ cart pass-holders are required to pay the upgrade fee of \$7.00 for 18 holes and \$4.00 for 9 holes.
- Each pass has no cash value and is non-refundable.
- It is the responsibility of each pass-holder to conduct themselves in accordance with Club Policies.
- Only 8 passes from each book of passes can be redeemed at one time.
